President's Message

Our expansion project is a thing of reality. As this edition of the *Shofar* comes out, we are waiting to receive our Use & Occupancy permit. Our dedication ceremony will take place on **Sunday, March 15** at 11:00 AM and I hope to see many of you at the synagogue for the festivities. We are honored that U.S. Senator Ben Cardin will speak at the ceremony and that State Senator John Astle will also attend.

The completion of the expansion project is especially exciting and gratifying to me as we were able to accomplish this feat with the help and generosity of many members of our congregation and friends of our congregation. At the ceremony, we will be able to meet the new director of our Tree of Life Preschool, Allison Charapp, who is looking forward to the challenge of leading this new preschool. Many kudos go out to the Educational Director of the Daniel Rothman Religious School, Sue Westenburger, who has made sure that the educational needs of our DRRS students have been met during this challenging school year. The students and faculty of DRRS are looking forward to being back in the Religious School wing of the building. Many thanks to Geveret Sue, Rabbi Pohl, our teachers, our students and their parents for enduring the many issues that they faced during construction.

On **March 22**, DRRS and Kol Shalom will hold its first Passover University which will teach everyone in the congregation, both young and old, many ways in which to enhance their celebration of the upcoming holiday of Passover.

This has been a long year for everyone who has been involved in the expansion project but I want to especially thank Jeff Halpern, our architect and Kol Shalom member, for all of his efforts in the expansion of our building. Now that our building is bigger and multi-functional, my hope is to see many more activities being held at Kol Shalom. I look forward to seeing many of you at these activities.

*Howard Salob, President
Board of Directors*

Rabbi's Message

In just a few days, we will celebrate the completion of our synagogue school wing expansion. O that day will merry, merry be!! So many of us have worked hard and all of us have been quite inconvenienced over the last many months. But with the fruit of our labors visible before us, it now seems so worthwhile. The truth is, only time will tell. While the building is finished, the growth has yet

to begin. And by growth, I mean not only growth in numbers. While, of course, we expect more Jews to take advantage of our additional space and new beautiful classrooms, we will also need to grow in program offerings and in the depth of content we will provide to the Jewish community we look to serve.

I'm glad to announce that some of this growth has already begun. Congregation Kol Shalom is pleased to announce that Allison Charapp, one of our veteran DRRS teachers, has become the director of the soon to open "Tree of Life Pre-School at Kol Shalom." We wish her much success and look forward to our synagogue becoming populated with boys and girls ready to receive a Jewish education at the earliest age possible.

Last summer, we realized that in addition to building a physical structure to house our youth, we needed also to extend the programming available for our Jewish teenagers and preteens. Therefore, with Janet Clarke as our Youth Committee chair, we have successfully launched a Kol Shalom USY (United Synagogue Youth) chapter for high school students, and a Kadimah chapter for students in middle school. Marin Weisblatt, another of our DRRS teachers, is serving as the youth advisor to both of these groups. Many fun activities have been planned and more are to come.

Both of these youth groups provide our youngsters with the opportunity to meet other Jewish boys and girls not only in Anne Arundel County but also throughout Maryland, Virginia and even into North Carolina. If your child or grandchild could possibly attend not only the events in the synagogue, but also some of the conventions or the summer encampment, it will likely be a most memorable and worthwhile experience. Please watch for the information the synagogue will provide on upcoming USY and Kadimah events.

Finally, it is not too late to begin planning your child's summer activities. Studies have shown that Jewish education, youth groups, Jewish camps and trips to Israel help youth and adults form a strong Jewish Identity. USY continues to provide all of these opportunities and the summer is an excellent time for your child to continue to experience Jewish life with his or her peers.

Here is the website for bunk connect, <https://www.bunkconnect.org/UI/Home/Index>. It is part of the Foundation of Jewish Camps.

One Happy Camper is part of it as well which gives grants to Jewish kids for first time going to camp. <http://www.jewishcamp.org/one-happy-camper>

Many of the local Jewish camps are listed in this website, and remember that USY and Kadimah offer a week long camp experience at the end of the summer, held at the beautiful Capitol Camps site (I recently addressed a group of Jewish Youth Directors there) in Waynesboro, PA.

Hazak Hazak v'Nithazayk - May we GROW from Strength to Strength.

Rabbi Philip Pohl

Day School Doings - News from Aleph Bet Jewish Day School

Winter nibbled away at February, with weather causing late arrivals, early dismissals, and entire days off, but the hours spent at school were busy ones.

Tu B'Shevat was the occasion for an annual celebration of trees – but with a more generalized environmental twist. Each class focused for a couple of weeks following the holiday on a particular aspect of conservation that students could implement both at school and at home. Classes started with questions such as whether keeping the blinds open on a sunny day lets us turn the heat down and whether more water is used if we wash paint brushes under a running tap or in a series of water jugs, and with surveys about how many appliances are plugged in around the school and how well trash and recycling are separated. Then students prepared presentations about their findings and gathered together to report on their investigations and to make recommendations for greener school and home practices.

Even though early snow closed school on the 17th, roads were clear enough by evening to go ahead with our annual Barnes & Noble Bookfair. We had a great turnout of current families, alumni, and community supporters. Our student chorus introduced some new songs, everyone enjoyed a chance to schmooze and catch up, families purchased wish list books for the classrooms, and profits from the evening went into our book fund to help augment the library collection.

February's icy weather was a reminder to be grateful for the food and warmth we enjoy and to recognize that not everyone is so

lucky. For a week,

ABJDS (cont'd)

Aleph Bet students joined children from around the area in filling coin boxes for the Lighthouse Shelter in an effort to provide assistance for the hungry and the homeless in our community.

Other projects and activities filled out the month. Students helped get ready for the 25th Anniversary Gala by creating class projects for the auction and selling raffle tickets. Rabbi Philip Polh joined the fourth and fifth graders for Lunch 'n' Learn with a Rabbi. The whole school attended a performance of *Cinderella* by the Ballet Theater of Maryland. And the after-school cooking club began providing homemade *challah* for our Friday pre-*Shabbat* lunches.

For the next month or two we will welcome visitors to *Walk-in Wednesdays*, an informal open house experience from 9:00-11:30 each week. Stop in and check us out!
